Hello ASA friends, welcome back! Hope you all enjoyed the last issue; here are some more exciting things that happened this past month : )

## Spring Mentor/Mentee Reveal

Spring mentor/mentee pairings were made and revealed this month! Mentor/mentee is a huge part of ASA, and so it was super exciting to have everyone find their families. If you haven't met up with your fam in a while, it wouldn't hurt to check in with them!

Pictured above: a very cute ASA fam! If you don't have a mentor or mentee but would like one, don't worry – you can always sign up for fall mentor/mentee reveal next year.

The sticker is wild af bro the noodles spell ASA

## Chick-fil-a Fundraiser

Thanks to everyone who came out and supported us during the Chick-fil-a fundraiser! It was a huge success, and again, if anyone wants to help out, just message a board member.
